REPTON PARK HOSTS FUNDRAISING FUNDAY

Repton's Got Talent, opened by the Mayor Councillor Felicity Banks, once more pulled in the punters, creating the perfect fundraising platform in aid of Haven House Children's Hospice. Taking to the main stage to the delight of the 1,000 generous spectators attending on the day, past Britain's Got Talent contestants stole the show, from Incognito Gospel Choir and dance troupe Youth Creation, to fellow dance act IMD Legion and The Voice's Leanne Jarvis. Showman DJ Tommy Sandhu, of the BBC Asia Network also had the crowd rocking. With food stalls from around the world and a fantastic funfair, the spectacular event catered for everyone and was made possible thanks to the sponsors such as BathWorks, Bootie Fit, Consort Property Management, GEM Environmental Building Services, Glyn Hopkin, Hunt Property Services and MBS Grounds Maintenance ■
